Dear President Waddell, Ms. Chee and Mr. Russell:

We continue to receive concerning communications from candidates and others regarding the conduct of the rerun election for West LAC.

Unfortunately, the local has failed to apprise us of each step taken in the conduct of the rerun election. Therefore, we are requesting that the local and all parties on the ballot agree to the immediate appointment of an AFT national representative to closely monitor the conduct of the election. In this instance monitor does not mean conduct the election, but rather to observe and keep a continuous record of the process and provide this information to the national union. The monitor will offer guidance to the election committee on compliance with the election and other governing authorities.

We are prepared to appoint the monitor immediately and request your agreement by close of business (pacific time 5:00 pm) on Tuesday, September 22, 2020.

In unity,

Fedrick C. Ingram
Secretary-Treasurer
