

A Faculty Professional Development Academy

WESTCONNECT

Resources • Collaboration • Innovation

West Los Angeles College | Spring 2018

Each year, West welcomes a group of outstanding new faculty to our academic community. **The Faculty Professional Development Academy: West Connect** includes events for new and tenure-track faculty to provide information and resources; opportunities to expand perspectives by interacting and exchanging ideas with peers; and workshops relating to practical topics, instructional strategies, and implications for teaching.

The events are intended primarily for new and tenure-track faculty, and all faculty are welcome to attend. *According to our Collective Bargaining Agreement (CBA) in Article 13.8.d. full time tenured faculty members are obligated contractually to serve in one committee. The participation of these faculty members in three events per semester organized by the Faculty Professional Development Academy, during their first year as probationary faculty, meets this contractual obligation. Faculty not using the Professional Development Academy to fulfill their committee obligation may use attendance to these workshops for Flex Credit.*

Unless otherwise noted, workshops are scheduled on Fridays.

Please RSVP to Mary-Jo Apigo at apigomj@wla.edu.

Second Annual Creative Edge Creativity Conference

Creativity Studies | April 21 | 9:00 am-1:00 pm | FA-100

This "un-conference" will be truly interdisciplinary. The theme is "The Creative Edge" (and it may be interpreted very loosely). We are very interested in presentations that explore creativity, creative living, and creative ways of giving back to the community in a diverse range of fields and careers. Conference attendance will be open to the public with a strong core of student volunteers and attendees. We would like each session to give participants a "take away" and for the conference to be interactive and fun, pointing the way to leading creative and fulfilling lives.
