

September Evaluation Report

The District implemented the new system for tracking evaluations in January 2017. To begin the efforts to track the completion of evaluation in a systematic manner, all evaluations due between January 1, 2017 and June 30, 2017 were included in this report. The District will continue to monitor and update the report when additional evaluations are completed and when additional evaluations become due. To date, 1,201 evaluations have been uploaded to the system for a current completion rate of 62.6%
