4. The consent agenda was approved as amended.
 - a. Approve minutes of meeting September 18, 2017
 - b. The Mathematics Division will avoid having an instructor "monopolize" all sections of a multi-section course. We seek to give students options.
5. There was a discussion of DSPS issues – all tests, exams, quizzes must be given in the DSPS area no matter what. If students say they can still take it with instructor, we need it in writing from the DSPS counselor.
6. Report from Academic Senate (Jeremy) – sent out in email.
7. Evaluations – We are investigating which ones really need to be done this semester, and whether they are basic or comprehensive.
8. There was an extensive discussion of placement issues (MMR) and AB 705.
9. The reports on Math 105-110-112 (Manushak) and the Math 125 COR update (William) were deferred until the next meeting. Also deferred: Discussion of caps on online math classes; DSPS final exam scheduling.
10. The meeting was adjourned at 4:05pm.
