Final course grades may be adjusted according to normative or average performance. In other words, final course grades may be "curved" if deemed necessary.

Learning Objective:

Upon completion of this course, students will have gained a greater knowledge-base of the meaning of health and wellness. With this greater knowledge-base, students will then be able to make better choices for themselves with respect to their personal health, and the health of others. Additionally, with the exercise experience gained in the course,

students will be able to continue an active lifestyle for their lifespan.

Course policy:

Students are responsible for dropping any class they no longer wish to attend. Failure to drop any unwanted class, will result in a failing grade. Stay on schedule and you will do well.

Course Schedule:

This course has 2 parts (Lecture and Participation.) Each part has an independent schedule that must be met. Make sure you complete both parts simultaneously. Each part has dates and deadlines that must be met. It is your responsibility to complete the parts in a timely manner. These will not change.

Please follow the schedule carefully and meet every deadline.

Please see the Assignments, Tests, and Surveys link or the CourseMap for dates. All Assignments, Test, Surveys, and Discussions expire and must be completed before they CLOSE. Nothing is OPENED after it has CLOSED.

****Your instructor reserves the right to amend any of these criteria as he sees fit.**
