COURSE DESCRIPTION: History 12 is the second part of a two-semester introduction to the political and social history of the United States. During this semester students will learn about the major themes and issues of U.S. history from Reconstruction to the present. It focuses on political and social developments in the late nineteenth and twentieth centuries, but it also includes economic and cultural trends.

REQUIRED READING: James A. Henretta et al, *America: A Concise History*, 5th ed., Vol. 2: Since 1865. Boston: Bedford/St. Martins, 2012. (ISBN-10: 0-312-64329-2; ISBN-13: 978-0-312-64329-4). While most exam questions are drawn from the class lectures, you should nevertheless read the book to familiarize yourself with the historical narrative. If you would like to improve your reading skills, please consider taking a course like Learning Skills 030, "Reading/Computer Aided Instruction" or Learning Skills 050, "Intro to Computer Assisted Instruction–Language Arts" (choose "reading speed and comprehension" option) at the Library's Learning Skills Center (see Spring 2015 Schedule of Classes, pp. 77-78). ☺

ACADEMIC INTEGRITY: In accordance with Board Rule 9803.28, academic dishonesty is prohibited and will not be tolerated. Cheating will result in automatic failure in the course and referral to the Dean of Students for disciplinary action (Schedule, pp. 134-35).

STANDARDS OF STUDENT CONDUCT: According to Board Rule 9803.15, disruption of classes or college activities is prohibited and will not be tolerated. To maintain a positive learning environment, the instructor reserves the right to separate disruptive students who sit next to, or nearby, one another (See "Rules & Regulations," §6, in Schedules of Classes, p. 134).

COURSE STUDENT LEARNING OUTCOMES: Using primary and secondary sources, students will be able to identify important factors behind the burgeoning American interest in expansion overseas. In economic, political, and social terms, students will also to grasp how the forces of industrialization, urbanization, and immigration played crucial roles in the emergence of the United States as a world power.

ATTENDANCE: Class attendance is mandatory. Students who are excessively absent [i.e., more than two (2) classes] may be dropped at the instructor's discretion. Absences begin to accumulate from the first day of class (i.e., January 5), not from the date students add the class. Roll is taken at the beginning of class. Three (3) late arrivals equal one (1) absence. Students are expected to attend every class meeting, to arrive on time, and stay throughout the class period: "every time, on time, for the whole time."

DROPPING THE CLASS: Students are responsible to drop themselves from classes they no longer attend (Schedule, pp. 11 & 136).

TAPE RECORDING POLICY: State law in California prohibits the use of any electronic listening or recording device in a classroom without prior consent of the instructor and college administration. Any student who needs to use electronic aids must secure the consent of the instructor. If the instructor agrees to the request, a notice of consent must be forwarded to the Vice President of Academic Affairs for approval (see Schedule of Classes, p. 137). Recorders and Google Glass are strictly prohibited. If you need help learning how to take notes, consider taking Learning Skills 051B, "Efficient Note Taking," at the Learning Skills Center (see Schedule of Classes, p. 78). ☺

POLICY ON VISITORS: Class sessions are reserved for students officially enrolled in WLAC (See Schedule of Classes, p. 135). Visitors may be brought to class by prior consent of the instructor only.

POLICY ON PAGERS & CELLULAR TELEPHONES: The policy is simple: pagers and cell phones should never sound in class. Please silence them before class begins. If your phone accidentally rings in class, turn it off without answering it. If you answer a cell phone in class—or get up and leave class to do so—you will be asked to leave for the remainder of that day. Phones, purses, and backpacks are not allowed in laps or on desktops during class. Please put them away. Bluetooth headsets, audio head gear, and Google Glass may not be worn during class, nor should you use text messaging during class. Students using laptops or other tablet-type computers for taking notes must sit at the back of a row in the last seat or desk. These rules help ensure that students are free to learn in a distraction-free environment. ☺

OFFICE OF DISABLED STUDENT PROGRAMS & SERVICES: The DSP&S office is located in Student Services Building, Room 320. The College recognizes and welcomes its responsibility to provide an equal educational opportunity to all disabled individuals. The DSP&S has been established to provide support services for all verified disabled students pursuing a college education.

EXAMS AND STUDY GUIDES: There will be three in-class, closed book exams. Their format combines multiple choice, short answer, and essay questions. Study guides are provided before the exam to students as a courtesy, not as a right.

MAKE-UP EXAM POLICY: Make-up examinations are given only under exceptional circumstances, and they must be arranged in advance with the instructor.
