Record of Meeting

April 27, 2016

1:00 pm – SC 107

Attending: Mary-Jo Apigo, Katherine Boutry, Jack Moy, Larry Packham, Mark Pracher, Olga Shewfelt

Guests: Hyejin Gelsi (Counseling)

The meeting was called to order at 1:00 p.m.

CTE Fields – there was discussion of emerging career vocational fields that are fast-changing and the problem of keeping up with current trends. Nikki Jacobson recently hosted a job fair for students titled “21st Century Career Conference” held on April 20, 2016 that was a success. Exhibitors in the medical, legal, and law enforcement fields were showcased and job search workshops were conducted and career trends were explored.

Mark Pracher led a discussion and review of grants and proposals awarded. The list was distributed to committee members.

Getty Foundation – West is setting up a meeting with the Getty Foundation to explore their support for an upcoming event. This organization funds art and exhibits that includes theater and dance. The college would like to receive start-up money for classes that each have a different focus.

College Enterprise – Larry Packham, College Enterprise Manager, gave a report on the recent filming activities that brought in revenue to the campus. The filming of episodes of Gray’s Anatomy last month brought in \$17,000. A total of \$175,000 for previous years has been generated. The college has changed catering food service vendors and the new vendor will be able to occupy Café West at the start of the fall semester.

Construction on Campus – discussion was held regarding the impact of filming on campus during construction on campus in the future. Gray’s Anatomy will be filming in the evenings. Watson Center has major funding issues. The college may lose some parking due to construction projects in the future.

VISION – West: A gateway to success for every student.

MISSION – West Los Angeles College provides a transformative educational experience.

West fosters a diverse learning community dedicated to student success.

Institutional Effectiveness Partnership Initiative – Mary-Jo Apigo reported that the e-portfolios designed for dental hygiene plan on being used for other disciplines for SLO's.

An assessment team will be coming next week on campus to assess how they can help improve service area outcomes in Administrative Services and Student Services. The college can apply for seed grants in the amount of \$150,000. The assessment team is comprised of employees from the other colleges with LACCD and colleges outside of LACCD.

Tesla Foundation – Mark Pracher reported that the college is forming a partnership with this organization which explores unmanned aerial robotics technology, Fourth Industrial Revolution principles, and develop relations with other colleges and advanced manufacturing companies regionally and nationally. Curriculum will be developed for credit and noncredit courses in creativity, cyber-physical developments, etc.

National Science Foundation – West will be exploring the opportunity for faculty to be trained in cyber security within an advanced technology education center.

Fourth Vice President of Workforce and Economic Development – the Committee discussed the RDC meeting of March 23, 2016 where the reasons to support reinstating and filling this position at West were discussed in length. The minutes of March 23, 2016 will be expanded to capture the discussion.

The meeting adjourned at 2:20 p.m.
