SLO ASSESSMENT CYCLE

Approved Senate Motion: **Effective Spring 2016, Phases 1 and 2 will be conducted together based on the Phase 1 schedule on the calendar, and Phases 3 and 4 will be conducted together based on the Phase 3 schedule on the calendar. Division-wide dialogue will be conducted in meetings and recorded in the next year's Program Review.**

SLO Assessment Cycle (Effective Spring 2016)

Phase 1 is completed with Phase 2 together in the same semester. (Phase A)
Phase 3 is completed with Phase 4 together in the same semester. (Phase B)

Assessments are completed according to the Division SLO Assessment Calendar.

If Phase 1 is scheduled → Conduct Phases 1 & 2. If Phase 2 is scheduled → Conduct Phase 2.
If Phase 3 is scheduled → Conduct Phases 3 & 4. If Phase 4 is scheduled → Conduct Phase 4.

The SLO course assessment and revision process is an ongoing cycle that continuously improves course content and delivery methodologies and is a part of the larger accreditation cycle that the college is engaged in. Each phase is one semester.

PHASE A (formerly Phases 1 & 2): Course is administered and assessed. Course assessment results are discussed and changes are decided upon. For example, changes in pedagogy, curriculum, or changing/adding SLOs themselves.

PHASE B (formerly Phases 3 & 4): Course changes are implemented and assessed. Reassessment results are discussed to close the loop. For example, do results meet the criterion level?
