

**Agenda for Work Environment Committee Meeting—Friday, February 28, 2014
10:30 – 12:30 CDC Conference Room**

1.) Minutes Approval of the previous meeting Nov . 22 2013

2.) Note-taker in the place of Ken?

3.) ASO - We would like to present as an informational item - the proposal of preferred parking. (Raymond McDaniel, ASO)

**4.) Collect written policies “on ID’s and procedures for handling verbal and written threats.”
(HW!)**

5.) I think there needs to be speed bumps on Sophomore Dr. on campus. It is dangerous to be on that road on a bike because of the narrowness of that road and the speed of the cars. The size of the lane cannot be adjusted but speed bumps would help control the speed issue. (Dan Franden, Math adjunct)

6.) Noise Policy in MSA QUAD area (request by Tony R)

5.)Lighting (Rita) Also, Does someone has the map with all the working cameras on campus?
