

Custodial Technician Training Program

Interested in obtaining employment in the cleaning and building maintenance industry?

We facilitate employment assistance for all program graduates!

All students are eligible!

The national average salary for a Custodial Technician is \$41,256!

Enroll in our **FREE Custodial Technician Training Program** to get a jump start on your new career! We provide job application & placement support.

We provide students with the knowledge and hands-on training needed to apply for entry level building maintenance service positions in the public and private sectors.

Contact the Learning Center online through live chat at <http://www.wlac.edu/Free-College/> for more information & registration assistance
