

Poster/Project Rubric

In each row, please tick the box which best represents your evaluation of the poster (or e-project).

Do not score your own students' work, or topics about which you have no knowledge.

Judge's Name _____

Poster Number _____

critterion	exemplary	good	fair	poor
Clarity of Idea	<input type="checkbox"/> I understand the point and the research behind it.	<input type="checkbox"/> I understand the basic point, but not how the research supports it	<input type="checkbox"/> I can guess what the basic point is.	<input type="checkbox"/> I can't tell what the point is, or the research contradicts it.
Depth of research	<input type="checkbox"/> The student did significant research, and identified all sources, both primary and secondary.	<input type="checkbox"/> The student convincingly used some sources, and identified all sources, both primary and secondary.	<input type="checkbox"/> The student identified all sources, both primary and secondary.	<input type="checkbox"/> The student identified, or used few to no sources.
Aesthetic Appeal	<input type="checkbox"/> Visually stimulating creative vision; finished product, demonstrating exemplary effort	<input type="checkbox"/> Visually engaging, but not particularly stimulating; may be wordy or busy; demonstrates good effort	<input type="checkbox"/> Legible, but somewhat unclear, or lacking creative vision; rough draft, demonstrating fair effort	<input type="checkbox"/> Illegible, unclear, or fails to hold my attention; demonstrates minimal effort
