

Agenda for Math Division Meeting—Wednesday, April 10 —3:00 – 4:30PM MSB 214

- 1.) Approval of the minutes of Feb27, 2013
- 2.) FPIP update
- 3.) Summer School – FINALLY!!! Online TODAY!! Let me know what class you would like.
- 4.) Setting load for Spring 2014
- 5.) Common Departmental Finals – Committees, Schedule, incorporating course SLOs
- 6.) Reading Student Scholarships – I'll start, then pass around. Quickly rank, pass on. Deadline: 4/30
- 7.) WEST LA College MATH website – See Cuesta College Math Dept website (Thomas Harjuno)
- 8.) LSK wants to take over “pre-collegiate” math and language arts instruction as “Education” courses to replace (it seems) Math 105-112-110 and possibly 115-117-118. This is hidden in a document called “pros and cons of division realignment” that was attached to the message Adrienne sent out. (Bonnie)
- 9.) Formation of study groups for math 115, 125 and statistics -they have formed on a small scale in the LRC, but Tim Russell wanted to include more instructors and more students. Also I would like to discuss the need for tutorial services for the summer session. (Tim Russell)
- 10.) Status of Math 123A and 123B (Bonnie, William)
- 11.) Progress on SLO assessment for Fall2012 semester – discussion

Next meeting May 8, 2013 Topics: Status of Math 123A and 123B, Departmental Finals.
