PRESIDENT'S MESSAGE

Our motto at West Los Angeles College is “GO WEST. GO FAR.”

This past June, at my first commencement ceremony at West, I recited this motto with our graduates from the ceremonial podium. This act summed up a forty-four year tradition of collective support and mutual dependence in our academic community. We are here as a community of faculty, staff and administrators with a single-minded, common purpose: to help, guide and challenge our students to identify and pursue their educational and career goals – and to achieve them. We do this as part of the larger community that we serve in West Los Angeles, with a purposeful eye on providing quality programs that are balanced between the diverse student interests – and community needs. We support our students to pursue university transfer, to complete career and technical education that leads to sustainable jobs, and to develop a sense of purpose and a personal practice of civic engagement.

Our diverse palette of traditional transfer curricula includes business, art, science and social science majors. And we offer several programs that are uniquely connected to our surrounding area. These include our aviation technician, film/television production, computer science, and administration

of justice programs among many others. Also, we offer our highly sought after dental hygiene program and American-Bar-Association-accredited paralegal program.

In addition to outstanding instruction, we pride ourselves in having the feel of a small liberal arts college with the cost of a California Community College. We are now building the facilities that will give West the look to match that feel. Last Spring, we opened two new modern four-story buildings to support instruction and student services. And we finally abandoned the majority of the temporary buildings in which the college was founded in 1969. I like to say “if you haven’t been to West for a few months, bring a map with you because you won’t recognize the place.” More importantly, if you haven’t been to West for a few months, please come by for a visit. You will be delighted with the changes you will see.

Welcome to West!

Nabil Abu-Ghazaleh
President

GENERAL INFORMATION

EDUCATIONAL PHILOSOPHY

The Los Angeles Community Colleges affirm the principle that individuals should have opportunities to develop to their full potential. To that end, our main responsibility is to students and to the provision of education, which benefits students and enables them to contribute to society.

Our colleges, therefore, should be accessible to all individuals who have the capacity and motivation to profit from higher education. Curricula and services of our colleges should provide the means for fulfilling the promise of open access.

We recognize the necessity to adapt to the changing educational needs of the Los Angeles Community Colleges' communities and to the growing diversity among students. The quality of the educational experience is to be judged by its value to students and communities, not merely by quantitative appeal. We further recognize that academic freedom is essential to excellence in education

To be fully engaged – academically, locally and globally – is to embrace learning with passion, commitment and energy.

INSTITUTIONAL STUDENT LEARNING OUTCOMES

West Los Angeles College uses student learning outcomes to continually assess student learning and institutional improvement. Student learning outcomes are used to measure achievement of course goals, programs, and degrees. Assessment data provide information for faculty development of strong programs, effective curricula, and innovative teaching. In addition, student learning outcome assessment assists programs, departments and the college in accreditation by providing evidence of quality teaching and learning.

- A. **Critical Thinking:** Analyze problems by differentiating fact from opinions, using evidence, and using sound reasoning to specify multiple solutions and their consequences.
- B. **Communication:** Effectively communicate thought in a clear, well-organized manner to persuade, inform, and convey ideas in academic, work, family and community settings.
- C. **Quantitative Reasoning:** Identify, analyze, and solve problems that are quantitative in nature.

ACADEMIC FREEDOM STATEMENT

15002. **ACADEMIC FREEDOM.** The Board of Trustees reaffirms its commitment to academic freedom, but recognizes that academic freedom does not allow sexual harassment. The discussion of sexual ideas, taboos, behavior or language which is an intrinsic part of the course content shall in no event constitute sexual harassment. It is recognized that an essential function of education is a probing of received opinions and an exploration of ideas which may cause some students discomfort. It is further recognized that academic freedom insures the faculty's right to teach and the student's right to learn. Adopted 02 22 95

SUMMARY OF SEXUAL HARASSMENT POLICY

The policy of the Los Angeles Community College District is to provide an educational, employment and business environment free of unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct or communications constituting sexual harassment. Employees, students, or other persons acting on behalf of the District who engage in

sexual harassment as defined in the policy or federal law shall be subject to discipline, up to and including discharge, expulsion or termination of contract. The specific rules and procedures for reporting charges of sexual harassment and for pursuing available remedies are incorporated in the Board Rules in Chapter 15 (*Board Rule 15001*). The Los Angeles Community College District has a policy which provides formal and informal procedures for resolving complaints. Copies of the policy and procedures may be obtained from Sherron Rouzan, Advocate for Students at (310) 287-4527; or by calling the Office of Diversity Programs at (213) 891-2315.

Any member of the college community, which includes students, faculty, and staff, who believes, perceives, or actually experiences conduct that may constitute sexual harassment, has the right to seek the help of the college. Every employee has the responsibility to report such conduct when the conduct is aimed at students.

Complainants are advised that administrative and civil law remedies, including but not limited to injunctions, restraining orders or other orders may be made available.

STUDENT ID SYSTEM AND SOCIAL SECURITY NUMBER

The Los Angeles Community College District is committed to protecting student privacy and has worked to change existing data collection and storage systems to eliminate the use of Social Security numbers as the primary method of student identification.

During July 2006, in accordance with state legislation, the college switched to a new student identification system. At the time the new student ID system was introduced, current students were sent a letter informing them of their new identification number. New students will be issued a student ID number at the time of application. Every student ID will begin with the numbers "88" to make it easy to identify. For additional information, visit our college website at: www.wlac.edu, or visit the Admissions Office in SSB.

ACCURACY STATEMENT

The Los Angeles Community College District and West Los Angeles College have made every effort to make this catalog accurate and may, without notice, change information, courses, or programs offered. The reasons for change may include student enrollment, level of funding, or other issues decided by the District or College. The District and College also reserve the right to add to, change, or cancel any rules, regulations, policies and/or procedures as provided by law.
