

MAJOR REQUIREMENTS

PHYSIOLOGY: 1
PHYSICS: 6, 7, 37

AND at least 3 units (but not more than 6 units) from the courses listed below:

MATHEMATICS: 215, 227, 241, 260, 261, 262, 263, 270, 275

NOTE: The total number of units must be at least 18 units.

MANAGEMENT - SMALL BUSINESS

CAREER STUDIES DIVISION

The Associate of Arts degree in Management - Small Business is primarily designed for career and technical education and workforce training/development. The curriculum is not aligned with course requirements for transfer to a specific major at a four-year college or university. West Los Angeles College also offers an Associate Degree for Transfer in Business Administration (AA-T). Please refer to the ADT section of this catalog for degree requirements.

The Small Business Management curriculum is for those who may go into business for themselves and for those who are already in business for themselves, but want to strengthen their entrepreneurial and managerial skills. Coursework is designed so that students understand the financial, managerial, marketing, accounting, legal and practical day-to-day decision-making concerns of those in small businesses.

PROGRAM LEARNING OUTCOMES (PLOs):

- Use A Variety Of Resources, Market Analyses, Accounting And Financial Data, To Create Short And Long Term Business And Marketing Plans. (Business Planning)
- Use Current And Emerging Technologies To Create, Document, Analyze And Manipulate Data That Supports Management Of Business Operations (Technical Skills)
- Promote A Collaborative Environment For Co-Workers With Clear Articulation To Produce Teamwork And Flexibility In A Diverse Workplace. (Leadership)
- Manage And Direct Daily Work Activities That Support Business Productivity. (Managing Operations)

MATHEMATICS

MATHEMATICS DIVISION

The Associate of Science for Transfer Degree in Mathematics will provide students interested in Mathematics, or any of the related fields such as Engineering, Physics or Statistics, with a strong academic background in mathematics. The courses taken by students in the pursuit of this degree will help develop students' ability to approach and solve problems in pure or applied mathematics where this is required. By successfully completing the Associate in Science in Mathematics for Transfer degree requirements at West Los Angeles College, students are prepared to transfer to a four-year Mathematics program. Completion of coursework in single and multivariable Calculus, Linear Algebra, Differential Equations and Statistics will meet the lower division mathematics requirements of the California State University.

CSU is required to "guarantee admission with junior status to any community college student who meets all of the requirements". This degree is intended for students who are interested in transferring to a four-year university and majoring in Mathematics, Engineering, Physics and Statistics.

PROGRAM LEARNING OUTCOMES (PLOs):

- Apply quantitative thinking processes using basic mathematical operations (addition, subtraction, multiplication, division) to solve common academic, workplace, and family problems. (Theme: Quantitative thinking; mathematical operations)
- Analyze and interpret spatial and graphic data (schedules, maps, tables, graphs, and geometric figures). (Theme: spatial and graphic data).
- Use mathematical tools essential for analyzing quantitative problems and for producing solutions. (Theme: mathematical tools)
- Apply advanced mathematical concepts and tools (algebra, calculus) essential in upper division academic work and/or workplace tasks. (Theme: advanced mathematical operations—algebra, calculus)
- Select appropriate math strategies for solving and handling application problems involving (for example) finance, science, economics, and family issues. (Theme: mathematical problem-solving)

The following requirements must be met:

- Completion of required units for the major (21-23 units)
- Completion of CSU Breadth or IGETC
- Completion of a minimum of 60 CSU-transferable units.
- Maintain a minimum grade point average (GPA) of at least 2.0 in all CSU transferable coursework.
- Complete a minimum of 23 semester units in an "AA-T" or "AS-T" major as detailed in the course catalog.
- Each course in the major must be completed with a grade of C or better or a "P" if the course is taken on a "pass-no pass" basis (Title V 55063).

ATTENTION TRANSFER STUDENTS

NOTE: Students expecting to transfer to four-year institutions should see a West Los Angeles College counselor and consult the catalogs of transfer institutions regarding specific requirements for upper-division standing.

MAJOR REQUIREMENTS

- Be certified as having completed the California State University General Education Breadth pattern (CSU- GE Breadth); OR the Intersegmental General Education Transfer Curriculum (IGETC) pattern (see page 64-65 for more information).
- Students should note that no more than 60 units are required for this degree and that no additional requirements will be imposed by West Los Angeles College.

MEDICAL ASSISTING

ALLIED HEALTH DIVISION

The Associate of Science degree in Medical Assisting prepares a student for an exciting career in health care. Students will learn to provide administrative and clinical support to medical offices in a variety of healthcare settings. The program will prepare competent entry-level Medical Assistants in the cognitive, psychomotor, and affective learning domains. Students completing the required course work are able to obtain certification from the California Certifying Board of Medical Assistants.

PROGRAM LEARNING OUTCOMES (PLOs):

The West Los Angeles College Medical Assisting Program will produce competent, entry-level Medical Assistants in the cognitive, psychomotor and affective learning domains. To achieve this goal, each student will be able to:

- Perform medical office procedures including patient scheduling and billing insurance companies for services.
- Perform approved clinical techniques including obtaining vitals, administering medications, and minor procedures.
- Perform medical office laboratory procedures.

See division website for more details at <http://www.wlac.edu/allied-health/index.aspx>

PARALEGAL

CAREER STUDIES DIVISION

West Los Angeles College offers a Paralegal Studies program that is approved by the American Bar Association (ABA). The program is designed to prepare students for work as a paralegal.

A paralegal is a person, qualified by education, training or work experience who is employed or retained by a lawyer, law office, corporation, governmental agency or other entity and who performs specifically delegated substantive legal work for which a lawyer is responsible.

Paralegals may not provide legal services directly to the public except as permitted by law.

ABA PARALEGAL PROGRAM OBJECTIVES

- The Paralegal Studies Program is designed to prepare the student to assist the attorney in both private and public sectors in all phases of legal work and to equip the student with the knowledge necessary to enter the legal service fields as an entry-level paralegal.
- To insure quality paralegal education at the community college level
- To familiarize students with the legal system and the role of the paralegal in the delivery of legal services in the public and private sectors.

- To train students to be prepared to use and apply the most current paralegal skills.
- To educate students to intelligently and ethically serve the legal community.
- To train students in critical paralegal skills such as investigation, legal research, interviewing, written and oral communications.
- To educate, train and provide students with the theoretical background to perform the paralegal's tasks in substantive areas of law and legal specialties.
- To educate and train students in areas of procedural law emphasizing the paralegal's role in litigation, mediation and arbitration.
- To educate students about the general principles of ethical legal practice as defined by the American Bar Association's Standing Committee on Ethics and Professional Responsibility, and California's Business & Professions Code §6450.
- To encourage students to contribute to the advancement of the legal profession.
- To provide counseling during the program and to assist students in preparing for and obtaining meaningful careers in the paralegal field.

IMPORTANT: In order to be admitted into the Paralegal Studies Program, you must attend an orientation and submit an application directly to the Program Director prior to taking any classes. Please contact the Program Director at (310) 287-4438 or via e-mail at paralegal@wlaac.edu. Please meet with the Program Director regarding Degree or Certificate.

Employment of paralegals and legal assistants is projected to grow 17 percent from 2012 to 2022, faster than the average for all occupations. This occupation attracts many applicants, and competition for jobs will be strong. Experienced, formally trained paralegals with strong computer and database management skills should have the best job prospects. <http://www.bls.gov/ooh/legal/paralegals-and-legal-assistants.htm>

NOTE: This program is not designed for preparation for law school admission. Students should consult catalogs of law schools of their choice or a counselor when planning to attend law school.
