PARALEGAL

CAREER STUDIES DIVISION

West Los Angeles College offers a Paralegal Studies program that is approved by the American Bar Association (ABA). The program is designed to prepare students for work as a paralegal.

A paralegal is a person, qualified by education, training or work experience who is employed or retained by a lawyer, law office, corporation, governmental agency or other entity and who performs specifically delegated substantive legal work for which a lawyer is responsible.

Paralegals may not provide legal services directly to the public except as permitted by law.

ABA PARALEGAL PROGRAM OBJECTIVES

- The Paralegal Studies Program is designed to prepare the student to assist the attorney in both private and public sectors in all phases of legal work and to equip the student with the knowledge necessary to enter the legal service fields as an entry-level paralegal.
- To insure quality paralegal education at the community college level
- To familiarize students with the legal system and the role of the paralegal in the delivery of legal services in the public and private sectors.

- To train students to be prepared to use and apply the most current paralegal skills.
- To educate students to intelligently and ethically serve the legal community.
- To train students in critical paralegal skills such as investigation, legal research, interviewing, written and oral communications.
- To educate, train and provide students with the theoretical background to perform the paralegal's tasks in substantive areas of law and legal specialties.
- To educate and train students in areas of procedural law emphasizing the paralegal's role in litigation, mediation and arbitration.
- To educate students about the general principles of ethical legal practice as defined by the American Bar Association's Standing Committee on Ethics and Professional Responsibility, and California's Business & Professions Code §6450.
- To encourage students to contribute to the advancement of the legal profession.
- To provide counseling during the program and to assist students in preparing for and obtaining meaningful careers in the paralegal field.

IMPORTANT: In order to be admitted into the Paralegal Studies Program, you must attend an orientation and submit an application directly to the Program Director prior to taking any classes. Please contact the Program Director at (310) 287-4438 or via e-mail at paralegal@wlaac.edu. Please meet with the Program Director regarding Degree or Certificate.

Employment of paralegals and legal assistants is projected to grow 17 percent from 2012 to 2022, faster than the average for all occupations. This occupation attracts many applicants, and competition for jobs will be strong. Experienced, formally trained paralegals with strong computer and database management skills should have the best job prospects. <http://www.bls.gov/ooh/legal/paralegals-and-legal-assistants.htm>

NOTE: This program is not designed for preparation for law school admission. Students should consult catalogs of law schools of their choice or a counselor when planning to attend law school.

PARAMEDIC Courses

(SEE EMERGENCY MEDICAL TECHNICIAN /
ALLIED HEALTH)
ALLIED HEALTH DIVISION

West Los Angeles College has partnered with the UCLA Center for Pre-Hospital Care Paramedic Education Program to offer students the opportunity to earn an associate degree while becoming licensed Paramedics.

Paramedics are advanced providers of emergency medical care and receive education in anatomy and physiology, cardiology, pharmacology, medicine and trauma. They build on their Emergency Medical Technician certification and learn additional skills including administering medications, starting intravenous lines, providing advanced airway management, and learning to resuscitate and support patients with significant problems such as heart attacks and traumas. Paramedics work for fire departments and ambulance companies.

The Paramedic Program is a 7 month full-time program (36 units). It is divided into three phases: didactic, includes lecture and hands-on skills training; clinical, in-hospital rotations; and field internship, assignment to an active paramedic unit.

All students are admitted through the UCLA Center for Prehospital Care. For more information and application requirements visit www.cpc.mednet.ucla.edu or call (310) 267-5959.

The Paramedic Program consists of 8 courses in Allied Health (43-50) and is managed through a formal contract education relationship with the UCLA Center for Prehospital Care who provides the facilities, instructors, equipment and coordinates acceptance into the program. The Paramedic Program is offered three to four times each year with cohorts beginning in Fall, Winter, and Spring semesters. The accelerated format is requested by both employers and students. The course has an 88% completion rate, 94% licensing rate, and 99% of the students have full time employment within 6 months of graduation. **Prerequisites:** ALD HTH 52 and a criminal background check.

REQUIRED COURSES

SEMESTER 1	UNITS
ALD HTH 43CO Anatomy & Physiology for Emergency Healthcare Personnel	4
ALD HTH 44CO Intro to Emergency Medical Services	2
ALD HTH 45CO Patient Assessment & Airway Management	2
ALD HTH 46CO Cardiology Assessment & Medical Emergencies	6

SEMESTER 3	UNITS
ALD HTH 50CO Field Internship	9
TOTAL UNITS	36

PHARMACY TECHNICIAN

ALLIED HEALTH DIVISION

The Associate of Science degree in Pharmacy Technician is primarily designed for career and technical education and workforce training/development. The curriculum is not aligned with course requirements for transfer to a specific major at a four-year college or university.

The West Los Angeles College Pharmacy Technician Program prepares a student for an exciting career in pharmacy. Students completing the required course work are able to obtain a State of California Pharmacy Technician license and are prepared to work in the outpatient, inpatient and home health care pharmacy settings.

ATTENTION TRANSFER STUDENTS

NOTE: Students expecting to transfer to four-year institutions should see a West Los Angeles College counselor and consult the catalogs of transfer institutions regarding specific requirements for upper-division standing.

MAJOR REQUIREMENTS

PROGRAM LEARNING OUTCOMES (PLOs):

- **Critical Thinking:** Upon graduation the Pharmacy Technician student should be able to analyze situations and respond to the given situations using the evidence presented in a manner which adheres to the laws and ethics of the profession.
- **Communication:** Upon graduation from the program the Pharmacy Technician student should be capable of completely communicating thoughts in both an oral and written format that is clear, concise, cohesive, and courteous.
- **Technical:** Upon graduation the Pharmacy Tech students should be able to follow the workflow of pharmacy practice in various pharmacy settings.
- **Ethics:** Upon graduation Pharmacy Technician students should exhibit professionalism, competence, growth, and development when practicing the profession.
- **Civic Responsibility:** Upon graduation the Pharmacy Technician students should be able to effectively work as a member of a team.
- **Cultural Diversity:** Upon graduation the Pharmacy Technician student should know how to advance the profession through leadership service activities and affiliation with professional organizations that promote the field as well as encourage members of different cultures to understand the field.

Associate Degree for Transfer

A Degree with a Guarantee.SM

The Associate of Arts degree in Psychology for Transfer provides students an overview of the major fields in psychology and examines behavior, growth, development and the well-being of individuals. The program offers students a comprehensive education in the content and method of the discipline. A variety of courses allow students to expand their intellectual horizons.

The curriculum also serves as an introduction to the helping professions for students planning to transfer to majors such as, Behavioral Science, Health Science, Human Services, Rehabilitation Counseling, Social Work, Substance Abuse Counseling, and other majors.

Students who successfully complete the Associate of Arts degree in Psychology for Transfer will be guaranteed admission to a California State University. The AA degree in Psychology for Transfer meets the requirements for SB1440 for Associate Degrees for Transfer. The degrees were developed to ease the transfer process for students to the CSU.

PROGRAM LEARNING OUTCOMES (PLOs):

1. Practice and demonstrate skills and knowledge regarding ethics and professionalism in treatment and research.
2. Address social, behavioral, historical, and cultural issues in treating and dealing with individuals and their adjustment in the workplace, family, community, and the global world.
3. Apply critical thinking to investigate and interpret influences of heredity and environment in assessment, counseling, therapy, and research.
4. Demonstrate and apply knowledge of biological issues as a major factor in Psychology.
5. Read, evaluate, and incorporate knowledge of research in assessment of new and old information in the field.
