ASSOCIATED STUDENTS ORGANIZATION (ASO)

The ASO General Council represents students in the shared governance process. The ASO emphasizes student leadership and self-governance to enable students to develop and express initiative in terms of the common good. Governed by the Executive Council, the Associated Student Organization conducts activities on behalf of the students. The General Council represents the student body's interests at the college, district, regional, state, and federal levels. On behalf of the Vice President of Student Services, the ASO Advisor oversees the Associated Student Organization Executive Council, Finance Committee, and Inter-Club Council.

In accordance with the policies of the Board of Trustees, the Executive Council and the Finance Committee actively participate in the management of the business affairs of ASO.

A \$7 student activity fee supports enrichment programs and student events on campus. Those paying the fee are also entitled to park in designated preferred student parking spaces on campus. Board of Trustees rules govern the collection, deposit and expenditure of funds, and all records are subject to annual audit by the Board of Trustees.

ELIGIBILITY FOR ASSOCIATED STUDENT ORGANIZATION OFFICES

Standards governing candidate and officer (as defined by the ASO constitution and by-laws) eligibility for appointed and elected Associated Student Organization officers (ASO) may be obtained at the following link.

STUDENT CLUBS AND ORGANIZATIONS

Believing that students will enrich their college experience by participation in extracurricular activities, the College is proud of its active club program. Principal support for club programs comes from the Inter-Club Council, composed of a representative from each campus club and chaired by the vice president of the ASO.

In conforming to the California Education Code, the only recognized clubs are those chartered by the ASO. Thus, the college assumes no responsibility for activities of uncharted groups, including off-campus social organizations that consist of students or former students. State law prohibits membership in secret organizations.

WHEN TO APPLY

Deadline and priority filing dates change each academic year. Students should consult the current financial aid publications for specific deadline dates. The Los Angeles Community College District has established one priority filing date for summer school and one for fall and spring semesters each year. West Los Angeles College will give first priority to completed applications received by the priority dates within the guidelines set by federal and state regulations. Students who have missed the priority deadline dates are encouraged to apply, as surplus funds may be available.

If in doubt, call or visit your college Financial Aid Office. Staff members are available to answer your questions and help you complete any of the forms. Keep in mind that it takes a minimum of 6-8 weeks between the time you apply for aid and the time your award is completely processed.

DETERMINING FINANCIAL NEED

The number and amount of financial awards and payments are subject to availability of institutional, federal and state aid funds. The Financial Aid Office will determine the type of aid and the amount received. Financial aid awards are based on demonstrated financial need which is the difference between allowable educational expenses and the total of a parent's resources, and/or the student's own resources. Resources may include, but are not limited to, salary or wages, veteran's benefits, Social Security benefits, or parent and/or student contributions. Resources are then

measured against the institution's student expense budget to determine financial need.

A student's resources are determined by reviewing the financial aid application submitted by the student. Documentation of resources, including the 1040/Federal Income Tax transcript of the parent and/or student may be required. All information is confidential.

STUDENT PROGRAMS & SERVICES

** STUDENT ALERT! **

FEDERAL REGULATION REQUIRES STUDENTS TO REPAY A PORTION OR THE FULL AMOUNT OF GRANTS IF YOU DO NOT COMPLETE YOUR PROGRAM.

If you receive a GRANT and then WITHDRAW from some or all of your classes, you may OWE money back to the federal program. Here's how it works:

Based on the date you withdraw the Financial Aid Office will calculate the portion of the grant that you have earned.

If you receive LOAN money and withdraw, you will pay back the money according to the normal rules of the loan program. If you receive WORK money and withdraw, you do not owe anything back. You always get to keep salary you have earned.

IF YOU ARE THINKING OF WITHDRAWING OR JUST LEAVING - PLEASE, THINK AGAIN

Immediately see a counselor or advisor and discuss your academic or personal reasons for leaving. Perhaps you can stay but take fewer courses.

Maybe there are services (e.g., *tutoring, personal support*) that will help you stay. Talk to your instructors; see what advice and help they can offer.

DON'T LEAVE UNLESS YOU MUST - BUT, IF YOU DO, TAKE CARE OF BUSINESS BEFORE YOU GO.

Go to the Financial Aid Office immediately. Learn how much you will owe and how you will have to repay it.

Please work with the Financial Aid Office. You can arrange for regular payments with the federal government without losing your student aid eligibility, so it is important to take care of the details before you go. If you leave without taking care of this business and you owe money, the Financial Aid Office will place a national HOLD on your student aid eligibility. You may also be referred to a debt collection agency if you do not take immediate action.

To be eligible for a new (first-time) Cal Grant A award, students must have a minimum of one full academic year of school work remaining and must be enrolled in at least 6 units of course work.

To apply, students must submit a Free Application for Federal Student Aid (FAFSA) and a GPA verification form by the deadline date.

Additional Information

The Student Financial Aid section of this catalog is intended to give students an overview of the financial aid programs at West Los Angeles College. A financial aid handbook, "Financial Aid Guide," is available from the Financial Aid Office. It was written specifically to inform West Los Angeles College students about matters pertaining to financial aid on this campus, and it contains a more comprehensive explanation of satisfactory academic progress standards, financial aid programs, procedures and regulations.

How Student Financial Aid Is Determined

Most financial aid awards are based on demonstrated financial need, which is the difference between cost of attendance and the expected family contribution:

$$\begin{array}{r} \text{COST OF ATTENDANCE} \\ - \text{EXPECTED FAMILY CONTRIBUTION} \\ \hline \text{NEED} \end{array}$$

STUDENT PROGRAMS & SERVICES

A parent's or student's contribution is determined from the information reported on the FAFSA and may be verified by a Federal Income Tax transcript, and by agencies providing nontaxable income to the family.

Once the student's financial need and eligibility are established, a 'package of aid' is provided which may be a combination of different aid programs. This package can consist of a combination of grant, work-study and loan funds.

The LACCD prefers to meet a student's need with a combination of grant and self-help aid whenever possible.

Satisfactory Academic Progress Policy for Financial Aid Recipients

To be eligible to receive financial aid, a student must meet all of the following criteria:

Initial Eligibility

In order to establish initial eligibility when applying for financial aid, students must meet all standards of satisfactory progress based on course work that is part of the Los Angeles Community College District's official student records.

If applicants have one semester in which progress was substandard, they will be placed on warning and considered for aid. Applicants with two or more semesters of substandard progress are not eligible and are expected to go through the appeal process to be considered.

Application of Standards

Satisfactory progress will be determined:

1. Upon publication of grades by the college Admissions Office.
2. Prior to the first disbursement of the fall and/or spring/summer semester(s) for students on warning.
3. Review of the 90-unit limit will occur at the beginning of the semester. Students with fewer than 90 units within the LACCD at the time of review will be considered eligible for the remainder of that semester as long as all other standards are met.

Failure to Meet the Standards of Satisfactory Progress

Students failing to meet any one or more of the standards will be disqualified from financial aid. Students will be notified of their status via their school issued LACCD email.

Disqualification

Students who are ineligible for financial aid at any LACCD college are ineligible at all colleges within the LACCD.

Satisfactory Progress Standards

1. Students must maintain a semester and cumulative GPA of 2.00.
2. Students must have completed fewer than 90 units within the LACCD at the start of the semester. The college may make exceptions for students who may require additional units to complete their educational goal.
3. Eligibility for financial aid for classes of Instructional Television (ITV) must meet the same standards of regular courses.

Type of Class	Financial Aid YES	Eligibility NO
Pass/No Pass	X	
ITV	X	
Audited Classes		X
ON-LINE	X	

4. Students are allowed 90 attempted units within the LACCD in which to complete their educational goal. Attending full time (12 or more units per semester), students would be expected to complete their program in three years.
5. Students must complete more than 67% of semester units attempted.

NOTE: Students should refer to this catalog for rules relating to repeatability of certain classes. Continued eligibility is based on progress at the institution from which aid is requested, except for total unit limitation.

Determination of Disqualification

1. Students who have met their educational goal are ineligible for further financial aid.
2. Students who have attempted 90 units with the LACCD are ineligible for further financial aid beyond the semester in which the 90 units were attempted.
3. Students who do not achieve a cumulative GPA of 2.00 or better by the end of the semester must be disqualified.
4. Students must complete at least 67% of the cumulative units attempted.
5. Students may not have earned an Associates of Arts (AA) or Associate of Science (AS) degree outside of the Los Angeles Community College District nor have already earned a baccalaureate degree or higher.

Appeals

Students may appeal financial aid disqualification by submitting a written appeal to the College Financial Aid Office. The College Financial Aid Office establishes deadline dates for submission of appeals through administrative channels established at the College. Students may be reinstated when they have met all of the satisfactory progress standards or by an appeal; however, awards cannot be paid retroactively.

Each student must have an educational goal or objective that can be met at the institution from which financial aid is requested. Within the LACCD, having an educational goal is defined as:

1. Being enrolled in an eligible program or course of study leading to an Associate of Arts or Associate of Science Degree;
2. Being enrolled in a course leading to a Certificate upon completion; or
3. Being enrolled in a transfer program leading to a baccalaureate degree program.

Ability to Benefit

Students who have any of the qualifications listed below demonstrate the "Ability to Benefit" from a college education in accordance with applicable Federal Regulations:
