

BOOKSTORE UPDATE

Thank you the comments and suggestions you submitted through our recent survey. Here's what we're doing ...

“The lines are too long.”

- **Come in early! Beat the rush and come in as early as July 19th to start renting your textbooks and getting your supplies. We will have different ‘pre-rush specials’ available as well. Be sure to check the school’s Facebook page and follow us on Twitter @WLACbookstore for the latest info on specials.**

“Renting a book is too expensive.”

- **Great news! We are going to have a variety of low cost rentals including the Math textbooks available in Fall 2011.**

“Have more books available for rental.”

- **The Bookstore’s rental program is going to be greatly expanded this coming Fall Semester. We are adding approximately 50 new titles to the program as well as Math Textbook Rentals.**

“Would like to see renting on online bookstore.”

- **We’re working on bringing this feature to the online bookstore soon.**

“Have more promotions reminding students about book rentals.”

- **We have recently upgraded our website where we have all our most current promotions on there. You can also ‘like’ the college’s Facebook page and follow us on Twitter @WLACbookstore to get up-to-date rental and ‘specials’ info. We also send out emails to students throughout the semester with book rental updates.**

“Give alternative solutions when students can't return a book based on the office hours and/or due date.”

- **Books may be returned during finals week.**

- **If you cannot return the book on time for whatever reason just give us a call, e-mail or come in and talk to us and we'll work with you.**
