Your 2014–2015 California Dream Act application was selected for review in a process called verification. State law says that before awarding state aid, we may ask you to confirm the information you (and your spouse, if married) reported on your California Dream Act application. To verify that you provided correct information the Financial Aid Office at your college will compare your California Dream Act application with the information on this worksheet and with any other required documents. If there are differences, your California Dream Act application information may need to be corrected. You must complete and sign this worksheet, attach any required documents, and submit the form and other required documents to the Financial Aid Office at your college. Your college may ask for additional information. If you have questions about verification, contact your college’s Financial Aid Office as soon as possible so your financial aid will not be delayed.

SECTION B: Independent Student’s Income Information

TAX RETURN FILERS — Complete the section below if you (and your spouse, if married) filed a 2013 income tax return with the IRS.

Instructions:

☐ The student (and spouse, if married) must submit to the college a 2013 IRS tax return transcript—not a photocopy of the income tax return. To obtain an IRS tax return transcript, go to www.irs.gov/Individuals/Get-Transcript. You have the option to get a transcript online or by mail. Make sure to request the “tax return” and not the “tax account” for the type of transcript you request. Keep in mind it takes up to two weeks for IRS income information to be available for electronic IRS tax return filers, and up to eight weeks for paper IRS tax return filers. You will need your Tax Identification Number (TIN). Important Note: If the student filed or will file an amended 2013 IRS tax return, the student must contact their college’s Financial Aid Office for additional instructions.

TAX RETURN NONFILERS — Complete the section below if you, the student (and, if married, your spouse), will not file and are not required to file a 2013 income tax return with the IRS.

Check the box that applies:

Attach copies of all 2013 IRS W-2 forms issued by employers. List every employer even if they did not issue an IRS W-2 form. If more space is needed, attach a separate page with your name and Student Identification Number at the top.
