MINUTES

- Review of Proposed Regulations

Dr. P Banday led the discussion concerning the Student Success Act 2012 Overview of Title 5 Regulations: Funding Credit Formula Proposal from the CCCO April 24, 2013 webinar.

- Common Assessment Pilot

Common Assessment Pilot is being conducted by Central California Community Colleges. The pilot will be initiated approximate 2014. The Assessment test is being developed by the Central Valley Higher Education Consortium and McCann Associates.

- Student Support Representative Class

The Student Success and Support Program representative position was developed by the LACCD as a position that would support the new SB1456 policies and regulations. It is a position that will serve to reach students and serve the program needs.

- Counseling Unit and S255

The District Counseling Division and District Matriculation Coordinators met and decided that Counselors District wide would utilize the S255 screen for notation of counseling contacts.

- District Matriculation Committee Recommendations

-

- Considerations for the Summer and Fall

- Adjournment

The meeting commenced at 9:00am. Updates concerning SB 1456 were discussed with an emphasis on Orientation and Outreach. Mr. Viramontes discussed the current Outreach effort to the feeder High schools: Crenshaw, Dorsey, View Park, Hamilton, Venice, Westchester, Culver City, University, Beverly Hills, Inglewood, and Morningside.

Mr. Viramontes discussed the April "High school Day" campus tour, visits and possibilities for the future. The college
