Project MATCH intern, Eileen Sanchez
Health 7 Physical Fitness & Nutrition
Donna Laws

PE:
Conference at Mission College 8/24
Assessments
Kinesiology name change
PE 630 changes

DH&PE Courses to archive

Questions, concerns, suggestions
Meeting came to order at 1pm

Present: Melinda Smith, Rob Hager, Colleen Matsuhara, Marguet Miller, Jane Witucki
Guest: Eileen Sanchez Guerrero, Project MATCH intern
Visitor: Dean Kathy Walton

Welcome by division chairperson Jane Witucki. Reminder to post office hours and include contact information and office hours on course syllabus. Review school add and drop policy. Melinda and Colleen volunteered as division reps for the student welcome table on 8/24/12.

Instructors have joined the following committees for the semester:
Melinda Smith: Academic Senate
Rob Hager: Budget, District PE Discipline Committee, Academic Senate
Colleen Matsuhara: Curriculum, Budget
Marguet Miller: Academic Senate, Transfer Honors Task Force
Jane Witucki: Divisional Council, Curriculum Committee, Facilities Committee, District Dance Discipline Committee.

Dean Kathy Walton stopped by to welcome everyone back for the new semester. M. Miller told of his experience using his iPad in the classroom. He has found it very helpful in clearing up enrollment questions and locating additional information for students as requested. K. Walton said she would try to find a way to provide tablets for all FT faculty in the division.

Update on Dance Families being established in the district.

Update on the district building moratorium.

Introduce project MATCH intern, Eileen Sanchez.

M. Smith suggested we stop offering Health 7 if we need to cut additional sections in the Health department and only offer Health 11 until the budget improves.
The District is in the process of changing PE to Kinesiology. The name change is official in the Fall 2013 semester. PE course assessments were discussed but not finalized.

PE 630 course changes: Students can no longer log in and out on the computer and can only use the Fitness Center during regularly scheduled class time. All PE 630 students will be given the 5 Components of Health quiz as a way to start assessing knowledge. Pre and Post workout stats will also be collected for all sections.

DH& PE course archive requests reviewed and approved.
