about prerequisites

A Prerequisite is a requirement you must meet before you can enroll in a class

If the course has a PREREQUISITE, you must have completed the requirement at West, another school or otherwise prior to enrolling in the desired course.

If you've met the prerequisite outside of West, you must file a prerequisite petition or challenge form to prove it. Directions are on the form which must be submitted to Admissions. Only after your form has been approved can you enroll in a course. **TIP:** Unofficial transcripts, grade cards, etc. are acceptable for purposes of demonstrating that you've met the prerequisite. However, official transcripts will be needed eventually if you want credit for classes taken elsewhere to count toward earning a degree or certificate from West.
