Election Collaboration Think About Participating

Subject: Hi from LAist! Election season collaboration

Hi there, Michelle!

I hope this message finds you well. My name is Adriana Pera and I'm a producer for LAist 89.3 FM....I work very closely with our community colleges team, and a big part of my job is making sure our reporting gets in front of the right people!

I'm reaching out (early-ish) to talk about this upcoming election season, and how our community colleges team would love to help students navigate voting.

Every election season, LAist puts together a comprehensive voter guide (it's really our biggest, all hands production!) [Here's 2022's](#).

With an entire team dedicated to serving community college students, we'd love to make a concerted effort to help LACCD students navigate their ballots, and answer any questions they might have about voting.

Do you have 30 minutes over the next few weeks to chat about possibilities for collaboration this election season?

I'd love to learn about any existing events that we might be able to attend to help students navigate their ballot... or if it might be possible for us to partner with your administration (or student government) to co-host an event for students? There's a world of possibilities, and I'd love to chat/brainstorm with you about the best ways for us to partner, if possible.

Let me know, I would love to set up a video call! Or if you think there might be someone else I should reach out to at WLAC, I'd be grateful for the connection.

Looking forward to hearing back from you.

Warmly,

Adriana Pera (she/her)
